The Master's Edge System

"In my lifetime I have had the opportunity to meet extraordinary people from around the world and Brett Lechtenberg is one of them. I love to collaborate with Brett on big ideas because he helps me get into FLOW."
Sam Beard · Creator of 6 Presidential Programs for 8 U.S. Presidents · Founder, National Development Council

"Brett really knows how to increase flow states and peak performance. I have been around a ton of business coaches and high-level performers, and Brett is a top-tier trainer, teacher, and coach."
Bill Schuffenhauer · Olympic Silver Medalist & 3-Time Olympian

BRETT HAS SPOKEN AT AND/OR CONDUCTED TRAINING FOR

About Brett

Brett Lechtenberg is a thought leader in the fields of business and personal empowerment. His flow and peak performance-based transformational skills include entrepreneurial coaching, systems development and implementation, as well as personal mastery and family safety.

Brett holds an 8th-degree black belt in Tae Kwon Do and black belts in various other martial arts. Brett has used his martial arts school, Personal Mastery Martial Arts, as a laboratory for his personal development training, business systems, and his philosophies on personal mastery and flow state management for over 30 years.

Are You Ready?

Six Outcomes You Can Expect

Transformative Impact

Experience a keynote speaker who delivers profound, lasting impact, practical tools, and inspiration. He will make an unforgettable impression on your audience.

Tailored Customization

Brett goes beyond the typical keynote with high-level customization that resonates with YOUR audience. They will feel as though the keynote is crafted specifically for them.

Actionable Insights

Brett equips the audience with actionable tools they can implement immediately. Attendees will walk away with straightforward, practical strategies to thrive in their personal and professional lives.

Dynamic Energy

Witness an electrifying keynote speaker who understands the power of high energy on and off stage, ensuring a memorable and engaging audience experience.

Evidence-based Approaches

Brett's keynotes integrate science-backed strategies and real-world experiences with captivating storytelling to provide audiences with the inspiration and tools for enduring confidence and success.

Engaging Humor

Humor is a vital element in Brett's core keynote stories. With a natural talent for fun and engaging performances, Brett leaves audiences laughing and inspired, creating a lasting positive impact.
