Talks, Trainings & Seminars	Businesses Coached	Years in Business	Books, 5 Bestsellers	Degree Black Belt

Brett Lechtenberg has spent **30+ years** helping people and organizations think, lead, and perform at a higher level. An **8th-degree black belt**, **flow state researcher whose work has been reviewed by the Flow Research Collective**, and co-founder of Total Success AI, Brett blends peak-performance science with three decades of real-world business building. Every talk is grounded in **The Master's Edge** methodology of First Principles, Frontloading, and the strategic use of Flow, so your people leave with clarity, motivation, and tools they use Monday morning.

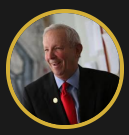

Four Lanes. One Promise: Transformation.

LANE 01
Peak Performance & Mindset
For people stretched thin, distracted, and running on willpower. An inside-out operating system built on mindset, motivation, and flow.

LANE 02
Leadership & Team Culture
Research-backed trust, clarity, and shared identity: how real teams reach flow together, from Project Aristotle to the training floor.

LANE 03
AI for Humans
Automate the tasks, amplify the people. First-principles AI adoption from a working practitioner, not a futurist with slides.

LANE 04
Sales & Ethical Influence
"I'm not selling, I'm serving." Transformation-over-transaction selling that closes more while strengthening the relationship.

"In my lifetime I have had the opportunity to meet extraordinary people from around the world and Brett Lechtenberg is one of them. I love to collaborate with Brett on big ideas because he helps me get into FLOW."

Sam Beard · Creator of 6 Presidential Programs for 8 United States Presidents · Founder, National Development Council

"Brett really knows flow, peak performance, and goals. I have been around a ton of business coaches and high-level performers, and Brett is a top-tier trainer, teacher, and coach."

Bill Schuffenhauer · 3-Time Olympian

"Excellent. The paper makes a compelling, empirical case for the utilization of flow for accelerated learning and skill acquisition."

Talks & Training Menu

Ten programs across four lanes, every one grounded in The Master's Edge methodology. All talks can be tailored to your audience, timeframe, and format.

LANE 01 Peak Performance & Mindset

Solves: "Our people are stretched thin, distracted, and running on willpower."

- **The Master's Edge** FLAGSHIP
  The Science of Inside-Out Transformation. First Principles, Frontloading, and Flow: the Clarify, Simplify, Maximize system from Brett's new book of the same name, out now on Amazon.
  60 to 90 min keynote or full-day workshop
- **The Limitless Mindset**
  The little-known mindset shifts that upgrade your business and your life. Brett's signature mindset keynote, built on the I AM / I CAN identity principle.
  60 to 90 min keynote or workshop
- **Reclaiming The Clock**
  Mastering habits, productivity & the truth about leveraging time, based on Brett's book. Rebuild the workday from first principles around the work that matters most.
  60 to 90 min keynote or half-day workshop
- **Flow by Design**
  The research-backed science of peak states, faster learning & effortless performance. Flow as a trainable, repeatable condition with known triggers and blockers.
  60 to 90 min keynote

LANE 02 Leadership & Team Culture

Solves: "Our teams don't trust each other and can't pull in the same direction."

- **Winning Team Culture**
  The science & art of developing an empowered team of motivated professionals: psychological safety, shared purpose, and the conditions that turn a group of people into a crew. Brett's most requested corporate program.
  Half-day or full-day training · keynote version available
- **The Road Less Traveled** (Mastery Edition)
  What 40 years of martial arts mastery teaches leaders about excellence, patience, and longevity. A story-driven meditation on the long road being the fast road.
  45 to 60 min keynote

LANE 03 AI for Humans

Solves: "AI is moving fast, and we don't know what it means for our people."

- **Who Owns the Outcome?**
  The leadership question that decides whether AI transforms your organization or quietly damages it. A first-principles framework for what to automate, what to keep human, and how to lead the transition.
  15 to 25 min keynote · expandable to 45 to 60 min
- **The AI Edge**
  Build it before you leave: a hands-on workshop where everyone solves one real challenge from their own work with AI, in the room, before the session ends.
  Half-day or full-day workshop · 90-minute starter version available

LANE 04 Sales & Ethical Influence

Solves: "Our reps struggle to close, and old-school sales training feels manipulative."

- **The Honest Close**
  The three beliefs behind every yes and the ethical framework that earns them. Rebuilds the close as an act of service: honest questions, real clarity, an invitation clients are glad they accepted.
  60 to 90 min keynote or half-day training
  Field-tested with America First Credit Union's business development team.
- **A Category of One**
  Position yourself so far ahead that comparison becomes irrelevant. First-principles differentiation built on resilience and problem-solving.
  60 to 90 min keynote

Your audience leaves changed, not just entertained.
